Re: CWCB Local Assistance Program Grant Approval

Dear Jenny:

I am pleased to inform you that I have approved the request by the Norwood Water Commission for a CWCB Local Capacity Program grant. The maximum amount of the grant is \$144,771 for up to 75 percent of the cost of the *NWC Water Storage and Supply Planning* project. I understand that the grant will result in a federal grant application, and you will report back to the CWCB the federal grant decision within 30 days of notification from the federal agency.

Michael Regan of this office will be the project manager on this grant.

Sincerely,

Lauren Ris, Director
Colorado Water Conservation Board
