Permit #

APPLICATION FOR SPECIAL CONSTRUCTION PERMIT

Application Fee - \$50

Applicant Name: _____ **Phone Number:** _____

Address or Location: _____ **Date/s of Work:** _____

Applicant hereby requests permission and authority from the Town of Norwood for a Special Construction Permit, which will entail disturbance of the Town Street, Alley, and/or Right-of-Way only in the area and to the extent herein described.

- Required attachments, **prior** to consideration by Board of Trustees, their agents, or employees:
 - A sketch or blueprint of the proposed disruption, showing all necessary specifications and detail on work proposed including surrounding utilizes in vicinity of work.
 - Traffic Plan outlining foot traffic and vehicle traffic control and plan during construction per MUTCD standards.
 - Proof of liability insurance showing Town of Norwood listed as insured.

Project Description: _____

The applicant binds and obligates himself to perform said work in concurrence with **Ordinance No. 1994-0809** as passed and adopted on September 13, 1994, during a regular meeting held in the Town Hall in Norwood, Colorado.

By signing below the applicant understands:

- No work may commence until the necessary documentation has been submitted, the necessary bond has been posted with the Town, and the permit has been issued.
- It is the applicant’s responsibility to be fully aware of the conditions contained in the above ordinance, and they will always abide by those conditions.
- All work must be inspected by the Public Works Department prior to covering disturbance and after completion of work.
- No digging is allowed after November 1st and before April 1st without approval.
- No open trenches allowed when dark or 7:00pm, whichever comes first.
- Once issued, the permit must be on site all times.
- Any special conditions, listed on the permit, will be adhered to.
- All repairs must be in like condition prior to commencement of the project, or to meet or exceed Town street standards deemed acceptable at the time of completion of work.

Failure to comply with special conditions listed on the permit, Ordinance No. 1994-0809, or requirements listed herein could result in bond forfeiture, as well as all additional expenses incurred.
